

MARCIN

OFFICIAL TAB GUIDE

Thank you for supporting Marcin by purchasing the tabs.

Marcin's pieces can be very challenging and this style is particularly difficult to notate, so while learning it's recommend you closely follow the official video on Youtube.

The tabs are available in PDF & Guitar Pro formats. It's suggested to learn this piece using mainly tablature notation in addition to using standard notation for rhythm.

GUIDE:

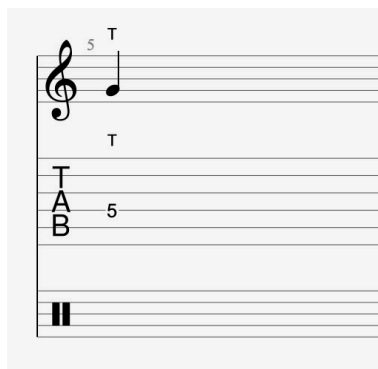

This image shows a snippet of a musical score for the piece 'Marcin'. It consists of three staves. The top staff is a standard musical staff in G major (one sharp) with a treble clef, showing a melodic line starting with a quarter rest followed by eighth and quarter notes. The middle staff is a TAB (guitar tablature) staff, labeled 'T A B' on the left, showing fret numbers (0, 4, 4, 5, 7, 3, 5, 7) under a series of eighth notes. The bottom staff is a percussion staff, labeled with a double bar line and a vertical line, showing a rhythmic pattern with eighth and quarter notes, some marked with 'x' for cymbals.

The tab is split into guitar (top) and percussion (bottom) sections.

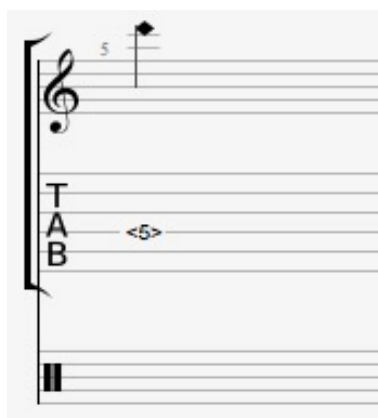

This image shows a snippet of a musical score illustrating a left hand hammer-on (tap) technique. It consists of three staves. The top staff is a standard musical staff in G major (one sharp) with a treble clef, showing a quarter note on G4 with a circled '1' above it. The middle staff is a TAB (guitar tablature) staff, labeled 'T A B' on the left, showing a fret number '5' under a series of eighth notes. The bottom staff is a percussion staff, labeled with a double bar line and a vertical line, showing a rhythmic pattern with eighth and quarter notes, some marked with 'x' for cymbals.

Left hand hammer-on (tap).

Right hand tap (letter T).

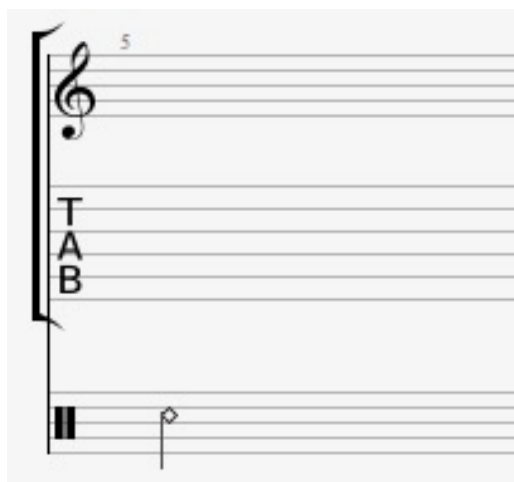

Natural harmonic.
Played by either left (LH) or right hand.

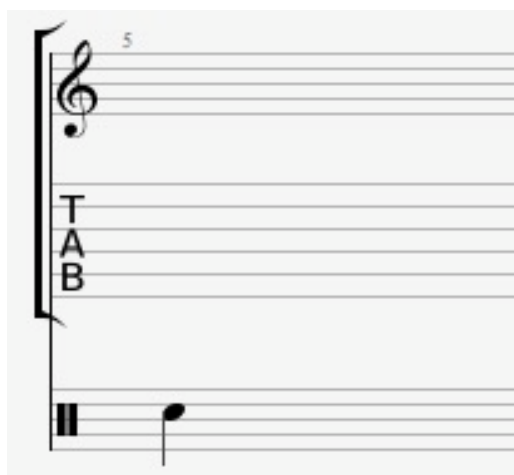

Artificial harmonic.

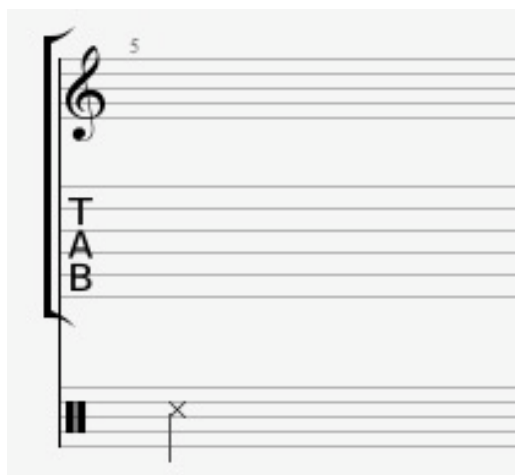

Kick drum. Hit top of guitar, above the soundhole or in the middle of guitar's body, with the bottom of your right wrist.

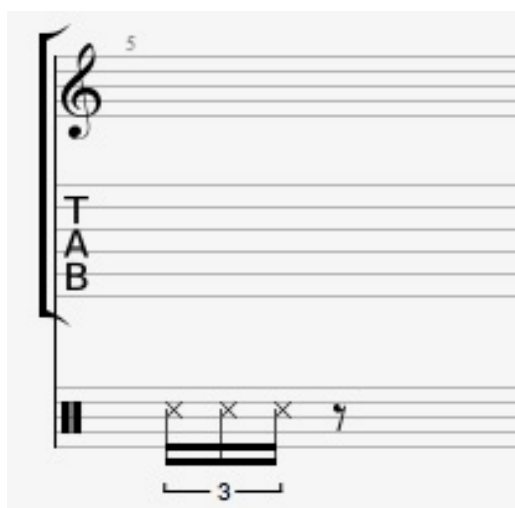

Strong snare. Hit side of the guitar or space around lower fretboard with your right palm.

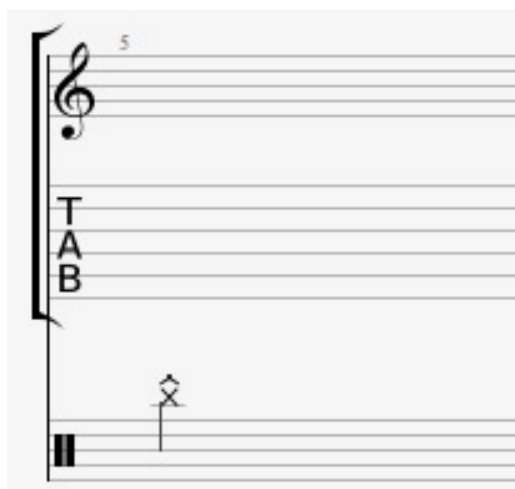

Light snare. Hit side of the guitar (often around the cutaway area) moderately lightly.

“Rimshot” snare. **1.** Strike edge of the sound hole with nail.
2. “Shoot” your nail onto the top of guitar.

Percussive rasgueado. “Shoot” nails of fingers a,m,i in quick succession onto the top of guitar.

Scratch. Scratch the top of guitar, or scratchpad (if available).

Bongo hits. Hit top of guitar with right thumb or fingertips (various places on the guitars body).

Numbers next to notes (in standard notation) tell you which finger should be used by the left hand (LH). In this case first note is played on the 5th fret, with the 2nd finger. The following note is played on the 3rd fret with the 1st finger, etc.

Letters next to notes (in standard notation) tell you which finger should be used by the right hand (RH).
 p = thumb, i = index, m = middle, a = ring.
 Here, the chords are strummed in succession by:
 ring, middle, index (down), index (up), thumb.
